INFORMATION AND PROCEDURES

1. **Medications should be taken at home whenever possible** in order that the student not lose valuable classroom time or have a shortened lunch period. Any medication taken in school must have a parent or guardian signed authorization: some medications also require physician orders. The parent or guardian must transport medication to school.
2. No medication may be accepted by school personnel without receipt of completed and appropriate medication forms.
3. A physician may use office stationery or a prescription pad in lieu of completing section 2. Required information includes: student name, date of birth, medication name, diagnosis, dosage, time to take medication, duration of medication, sequence of more than one medication is to be taken, physician signature and date.
4. Physician samples must be appropriately labeled by the physician, to include the information requested in number 3 above. Prescription drugs must be appropriately labeled by the pharmacist, to include the information requested in number 3 above. Over the counter medication must be in the original container labeled by the parent to include the information requested in number 3 above.
5. **The first dose of any new medication must be given at home.**
6. The parent or guardian is responsible for submitting a new form to the school each time there is a change in the dosage or in the time at which the medication is to be taken.
7. Medication kept in the school will be accessible only to authorized personnel.
8. Within one week after expiration of the effective date on the physician order, the parent or guardian must personally collect any unused portion of the medication. Medications not claimed within that period will be destroyed.
9. Red River Charter Academy does not assume responsibility for unauthorized medication taken independently by the student himself or herself.
