

Anti-discrimination Policy

Red River Charter Academy does not discriminate against anyone based on race, color, sex, religion, national origin, age, disability status or any other trait that is protected under local, state or federal law. In addition, any kind of discrimination that is based on a protected trait is not allowed in the workplace. We are an equal opportunity employer and we are dedicated to a policy of non-discrimination in all aspects of employment, student enrollment and company business. This policy applies not only to personnel decisions, but also to all aspects of business and related activities at the school level.

We ask that you respect those around you—co-workers, students, community, stakeholders, vendors, customers and management alike.

Reports of discrimination will be investigated and disciplinary measures may be taken as applicable.
