The RRCA SEAP Committee met on April 4, 2023, at 5:30 p.m. in the Resource Room of RRCA.

Mrs. Loyd welcomed all the members and explained the purpose of the committee:

1. To provide feedback regarding special education policy and resources to community stakeholders.
2. To engage in community activities to increase awareness and increase level of knowledge in regard to students with disabilities.
3. To increase support and promote collaborative activities with those agencies charged with improving outcomes with disabilities.

The Committee will meet at least three times a year. The next meeting is scheduled for May 23, 2023, at 5:30 p.m. at RRCA.

There being no further comments or questions regarding the committee, the meeting was adjourned at 6:15 p.m.

NOTE: After the meeting one question was asked by a parent: What is the difference between Louisiana Connect, April Dunn, and regular LEAP Assessment?
